

**2019 ORLAEF's ProStart Invitational Team Registration
Monday, March 18, 2019, Salem Convention Center**

Deadline for Return of This Form is January 8, 2019
(Sorry, but late entries cannot be accepted)

We appreciate your participation! By completing and returning this form your school is indicating its pledge to compete in the 2019 event. We welcome all ProStart schools as long as the teacher and team understand that this registration is regarded as a sincere commitment, and that significant financial and personnel resources will be allocated for your team accordingly.

Team withdrawals result in extreme hardship for the planning process and are unfair to other schools, the volunteers, and the judges. The day's schedule and our limited budget are planned according to the number of teams who enter. Team withdrawals after February 4th will result in the school being billed for any chef coats that are ordered for the team.

A culinary team member name substitution can be accommodated until February 4, 2019, when we place size orders for chef coats. If a culinary member is substituted after that date, we cannot guarantee that alternate sizes will be available. Substitutions, unless medically necessary for either culinary or management, cannot be accommodated after February 25, 2019. Registrations, and team substitutions, will only be accepted if emailed to SSmith@OregonRLA.org. Please ensure that you receive a confirmation.

Please TYPE your response to **all** questions on this form. Teams are not considered registered until this document is completed in its entirety.
